What?

Leadership Training for Christ – youth associated with Churches of Christ

Why?

Our Mission is to help 3rd-12th graders **FIND their gifts, GROW deeper roots of faith and SERVE God and His Church now and in the future.**

We are teaching an active faith instead of a passive faith. Surveys show that only ½ of C of C youth remain faithful. Students who participate in programs like this have a retention rate of 92-100% (source: Lads to Leaders site)

What is the Convention?

A chance to share what we have learned with others and be given a "grade" for feedback. It is a time to be encouraged by the many youth in this country who want to serve the Lord, and to make new friendships with other Christians.

LTC Kickoff - FAQ

What is my part as a parent?

Throughout the year, be involved with your child regarding LTC. Work with them on individual events at home, read their Bible chapters for Bible Quiz/Bowl, help them on their lines for Drama or Puppets, etc. You will also be asked to judge or monitor an event at the convention. The **convention trip is a FAMILY trip** we enjoy together. Only in extenuating circumstances will a student go to the convention without family.

How will I know what is going on?

Emails from the coordinator, DowntownChurch.org/ltc, and GPLTC.net for rules. There will be final meeting the Monday before convention for all parents and students.

How do I sign up?

Fill out one Family Form, then a separate Events Form for each child (front and back) and turn it in **with your \$35 registration fee by the end of September** to the LTC box in the church office (hall behind secretaries' desk). **Students will not be allowed to participate until the registration fee is paid.**

Please mark your personal calendars with ALL the LTC dates
